

Fishing in the British Virgin Islands

- Please do not fish in any anchorages, or in and around Natural Park areas.
- Please practice 'catch-and-release'.
- Reduce speed to minimum when fish is hooked.
- Be aware of ciguatera, it is found in nearly all species of fish in these waters.
- Be aware of other vessels (and windsurfers) while trolling.

Trolling Around Anegada and between Anegada & Jost van Dyke are good spots for Tuna, Mahi Mahi, Wahoo, King Fish, which are generally safe to eat.
